

ALUMNI NEWSLETTER

HOMECOMING 2018 EDITION

Dear ΑΠΕ Alumni,

On behalf of all the actives we are truly excited to see you for homecoming this year. Once again this year the Crete Great Pumpkin Festival is the same weekend as Homecoming. Once again this also means that the bars will be much more welcoming. Also along with this the active members will be running the pumpkin pancake feed in city park Saturday morning from 8-10:30.

S.E.X will be held on September 21st in Cassel theater from 5-7. We have a lot of donations already but are looking for as many as we can get for the event. Alumni are welcome to attend the event as long as there is no drinking or public intoxication. You can also purchase a summers end shirt at the event if you wish to.

The ΑΠΕΑΑ Homecoming Business meeting will be at 10 A.M. Oct. 6th in the Lied Science Building, room to be determined. This year the social policy is being lifted for the Homecoming game.

This tailgate will be in the communication parking lot starting at 11 AM before the game. All alumni are welcome to attend and the ΑΠΕ's will have their own tailgate going. All that is required is no drinking games are to be played and we are required to

have a cooler of water at the tailgate. All actives that are of age are allowed to drink with the alumni if they so choose. This will be a fun alternative to just going to the bar and hanging out with all of the actives as well!

Another thing that is going to be offered is campus tours by some actives who are ambassador's. If you are interested in taking a tour of campus Friday or Saturday let me know and we will try and get a time set up with an active to walk you around campus.

Following the football game will be the annual active vs. alumni football game at frees field and pizza will be at the event. The fall play is also happening this week Thursday through Saturday and once again we have many brothers who are performing in Nell Gwynn which starts at 7:30. Also on Saturday night our very own Erich Strack will be playing at the brew house at 7 and it would be great to have as many apes' there as possible. Any other activities you are interested in are available on the Doane website.

As always there are hotels in the area one in crete and many more in Lincoln that can be booked for one or two nights.

SINCERELY YOU ALUMNI LIAISON,
Bryce Wright

LETTER FROM THE PRESIDENT

Jesse Gichuru

Hello gentlemen,

My name is Jesse Gichuru and I am the president for the 2018-2019 school year. I hope life is treating you well. The school year has kicked off pretty rapidly this fall. We are in the midst of planning our annual Summer's End Xtravaganza. A special thanks to anyone that has donated to S.E.X. 2018! We are also excited to get going with some of our other volunteer projects such as tutoring at Crete High School and volunteering with the Crete Chamber of commerce. We hope to see many of you the

first weekend of October for the various homecoming activities. Come hang out with our members at events like the tailgate, the fall theatre production *Nell Gwynn*, and our homecoming concert on Sunday. If you can't make it that weekend do not despair. As we move forward in the year we will also try to organize some alumni-active hangouts. Until then, stay well my brothers.

Sincerely,

Jesse M. Gichuru PC '16
